

## Code Club Information for Parents

- 1) Code Club gives youngsters the chance to explore the exciting world of creating their own computer programmes. Using some simple tools which put this within reach of all abilities.
- 2) Courses are for youngsters aged 7 to 14
- 3) Courses cater for those with no computing experience as well as those with some programming experience.
- 4) Courses will be 5 or 6 weekly sessions.
- 5) Booking Forms are available four weeks before a course starts.
- 6) We have a limited number of places, so please book in good time.
- 7) A separate booking form is required for each course. One form can be used to book in more than one youngster.
- 8) Forms can be emailed to [codeclub@ansteylibrary.com](mailto:codeclub@ansteylibrary.com) or hand delivered to the library.
- 9) Youngsters are expected to join the library, this has no cost.
- 10) During Term time the sessions start flexibly between 3.30 and 4.00 to allow for different travel arrangements finishing at 5pm. Holiday time sessions are between 2.30 and 4.30 and we would like to start on time.
- 11) Code Club, and Anstey Library, remind parents that they are not responsible for youngsters whilst travelling to, or from, the club or outside the published hours of the club.
